- ▶ Lync Integration
- ▶ New Reporting Story

Project 2013 Client – What is new

Start Experience

The screenshot displays the Project 2013 Client interface. On the left is a green sidebar titled 'Project 2013 Preview'. It contains a 'Recent' section with a list of recent projects. The first item is 'Testp15clientproject.mpp' in the 'Documents' folder. The second item, 'Welcome to Project.mpt', is highlighted with a red box and an arrow pointing to it from the main workspace. Below this is a 'First' section with a link to a Project Web App. At the bottom of the sidebar is an 'Open Other Projects' button.

The main workspace shows a search bar at the top with the text 'Search online templates'. Below it are 'Suggested searches: Business Marketing Proposal Software Products'. The workspace is filled with various project templates, including 'Blank Project', 'New from existing p...', 'New from Excel workbook', 'New from SharePoint Task...', 'Residential Construction', 'Market Research Schedule', 'New Business Plan', 'SOX Compliance and Technology', 'Six Sigma DMAIC Cycle', 'Customer Service', and 'Annual Report Preparation'. A red box highlights the 'Get Started' button in the top right corner of the workspace. Another red box highlights the 'Welcome to Project' button in the top right corner of the workspace. A red box highlights the 'Welcome to Project.mpt' item in the Recent list. A red arrow points from the 'Welcome to Project.mpt' item to the 'Welcome to Project' button. A red box highlights the 'Learn how to get your project started with Project' text at the bottom of the workspace.

Options - General

The screenshot shows the 'Project Options' dialog box with the 'General' tab selected. The left sidebar lists various options: General, Display, Schedule, Proofing, Save, Language, Advanced, Customize Ribbon, Quick Access Toolbar, Add-Ins, and Trust Center. The main area is titled 'General options for working with Project.' and contains several sections: 'User Interface options' with a 'ScreenTip style' dropdown set to 'Show feature descriptions in ScreenTips'; 'Project view' with 'Default view' set to 'Gantt with Timeline' and 'Date format' set to 'Wed 28.01.09'; 'Personalize your copy of Microsoft Office' with 'User name' set to 'Peter Nixdorf' and 'Initials' set to 'PN'; a checkbox for 'Always use these values regardless of sign in to Office.' which is unchecked; 'Office Background' set to 'Circuit'; and 'Start up options' with a checked checkbox for 'Show the Start screen when this application starts'. A red rectangle highlights the 'Always use these values regardless of sign in to Office.' checkbox, the 'Office Background' dropdown, and the 'Start up options' section. The 'OK' and 'Cancel' buttons are at the bottom right.

New Reporting Story

The screenshot displays the Microsoft Project 2013 interface. The 'PROJECT' tab is active, and the 'REPORTS' button in the ribbon is highlighted with a red box. A dropdown menu is open, showing options: 'Work Overview', 'Burndown', 'Project Overview', 'More Reports...', and 'Visual Reports'. The 'More Reports...' option is also highlighted with a red box. Below the menu, a Gantt chart is visible, showing task bars for 'Testp15clientproje', 'Phase 1', 'Phase 2', and 'Product Launch'. A red box at the bottom of the screenshot contains the text: 'Click on Reports and select the type of report to work with or go to More Reports'.
