

Office 365 Account Management

Hari Thapliyal

Agilest & Project Management Trainer, Coach & Consultant

MBA, MCA, PGDOM, PGDFM, CIC, PMP, PMI-ACP, PRINCE2 Trainer MCITP, MCTS, CSM, SCT, MCT, SPOC, SMC, SAMC

- Purchasing some Office® or Project® or Project Server® licensing is so much confusing at Microsoft site that only those like me who wasted many days or wasted money by making wrong decision know the pain. You do not find all the information at one place with uniform linking and relation between their dozens of sites and hundreds of link.
- I thought using this presentation I will be able to help some people in saving time and making right decision.
- I am not Microsoft representative but based on my experience if I can help you in making right decision and saving time then I will consider myself fortunate and will try my best. Therefore do not hesitate to write me if you need any critical or important information from me to make your decision.
- This presentation is with real screen snapshots and links so that you know what it looks like at what link (before purchase or after purchase of office 365 license)

- Microsoft has two kind of licenses 1- Cloud Based 2- Perpetual. Pricing, support, upgrade, maintenance, ownership etc. of these two group of licenses are completely different.
- If you want to buy any cloud based product then you need to have 365 Account.
 - For “office” range of products and “Project” you need to have “Office 365” account
 - For Dynamics you need to have “Dynamics 365” Account
 - For Azure you need to have “Auzre” Account
- Under “Office 365” you can have 2 types 1- Home 2- Work, Student, University Account
- Using “Home Office 365” Account you can purchase products only for home use.
- Using “Work Office 365” Account you can purchase products for Business and Enterprise need.
- Office product has 3 main types: 1- “Home Office 365” 2- “Business Office 365” - Work, student, university 3- “Enterprise Office 365” Account
- Under Home, Business and Enterprise there are again different kind of licenses. Based on your need you can select, pay and subscribe.
- After you subscribe you can download and install the client of the software on your machine. But your upgrade, patches etc is taken care by Microsoft for the period of subscription.

Which “Project” License should I Purchase?

Cloud Based Solution – Online License	On Premise Solution- Perpetual License
1- Project Essential (For team members, to update timesheet, task update, risk, issue reporting)	Not possible in On Premise Solution. Unless you install Project Server and create users who have only this limited access. In this case they access the system through PWA.
No possible in cloud solution. But limited scheduling capability is available if you have Project Online Professional.	4- Project Professional (Desktop Installation) https://products.office.com/en-us/project/project-professional-desktop-software <i>You can connect to Project Online or Project Server with this license</i>
No possible in cloud solution. But limited scheduling capability is available if you have Project Online Professional.	5- Project Standard (Desktop Installation) https://products.office.com/en-in/project/project-standard-desktop-software <i>You can NOT connect to Project Online or Project Server with this license</i>
2- Project Online Professional (It is not replacement of desktop Project Professional/Standard)	6- Project Server 2016 (Server Installation) https://products.office.com/en-in/project/enterprise-project-server You can use this only if you have server configuration hardware with other software (Windows Server, SQL Server, SharePoint Server) Forum: https://social.technet.microsoft.com/Forums/projectserver/en-US/home
3- Project Online Premium (With Portfolio Management Capability)	Available in On Premise solution if Project Server 2016 is full installed

Buy or Download Trial Version – Office 365

<https://products.office.com/en-in>

The screenshot shows the Microsoft Office 365 product page. At the top, there's a navigation bar with links for Microsoft, Store, Products, and Support. Below that is a secondary navigation bar with links for Office, Products, Templates, and Support. A search bar and a sign-in link are also present. A yellow call-to-action button labeled "Buy Office 365" is highlighted with a blue border. In the center, there's a large image of a smiling woman. To the left of the image, text reads "What will you do with your next 365?" and "With Office, you have 365 days ahead of you filled with endless possibilities. And it starts now." Below the image are two buttons: "For home" and "For business". On the right side, three product options are listed with their prices and purchase options:

Product	Price	Offer
Office 365 Home	₹ 4,619.00 per year	Buy now Try for free
Office 365 Personal	₹ 3,629.00 per year	Buy now Or buy for ₹ 360.00 per month
Office Home & Student 2016 for PC	₹ 6,899.00 (one-time purchase)	Buy now

The screenshot shows a Mozilla Firefox browser window with the URL <https://products.office.com/en-in/try> in the address bar. The page content is the Microsoft Office 365 trial landing page. At the top, there's a navigation bar with links for Microsoft, Store, Products, and Support. Below that is a secondary navigation bar with links for Office, Products, Templates, and Support. A search bar labeled "Search Office" is on the right. Further down, there are links for Chat now > and Buy Office 365 >. The main content area features a large orange 3D cube logo on the left and a red headline "Try Office 365 for free" on the right. Below the headline, it says "Office 365 Home trial includes" followed by a bulleted list of features. At the bottom, there are two buttons: "Try 1-month free" in a green box and "Ready to buy Office?" in a white box with a green border.

Try Office 365 for free

Office 365 Home trial includes

- Installed Office 2016 versions of Word, Excel, PowerPoint, Outlook, and more.
- Installation on up to 5 PCs or Macs.
- Office mobile apps on up to 5 tablets and 5 phones.
- 1 TB of OneDrive cloud storage per user, for up to 5 users.

Try 1-month free

Ready to buy Office?

Credit card required. After your 1-month free trial, Office 365 Home is ₹ 460.00 per month. Cancel anytime. ⓘ

Create Office 365 – Home Account

The screenshot shows the Microsoft sign-in page at <https://login.live.com/login.srf?wa=wsignin1.0&rpsnv=13&rver=6.7.6643.0>. The page features a "Sign in" header and a "Use your Microsoft account." message. Below is an input field for "Email, phone, or Skype" and a "Next" button. At the bottom, there's a link "No account? Create one!" highlighted with a yellow box and the number 1.

The screenshot shows the "Create account" page. The top navigation bar includes icons for Windows, Cloud, Mail, OneDrive, Microsoft Store, Xbox, S, and a search bar. The main heading is "Create account" with the subtext "Microsoft account opens a world of benefits." A red box highlights the "This information is required." message. Below are fields for "Email" (someone@example.com) and "Create password". A checkbox for "Send me promotional emails from Microsoft" is checked. At the bottom, there are two buttons: "Use a phone number instead" (highlighted with a yellow box and the number 2) and "Get a new email address" (highlighted with a yellow box and the number 3). A note at the bottom states: "Choosing Next means that you agree to the [Microsoft Services Agreement](#) and [privacy and cookies statement](#)". The final "Next" button is highlighted with a green box and the number 4.

Create Office 365 – Work & Student Account

The screenshot shows the Microsoft Project Online Professional landing page. At the top, there's a navigation bar with links for Office, Products, Templates, Support, Contact, Project (highlighted in red), Solutions, Customer Stories, and Products & pricing. Below the navigation is a large banner featuring a person working at a desk with multiple monitors. The banner text reads: "Project Online Professional" and "Keep your projects, resources, and teams organized and on track. Efficiently plan projects, track status, and collaborate with others from virtually anywhere." It also mentions a price of "\$30.00 per user/month" and buttons for "Buy now" and "Try now".

The screenshot shows the "Project Online Professional Trial" sign-up page. The title is "Project Online Professional Trial". There's a message: "Want to add this to an existing subscription?" and a "Sign in" button. The main form starts with the text "Welcome, let's get to know you". It includes a dropdown menu set to "India" with a note: "This can't be changed after sign-up. Why not?". The form fields are: First name, Last name, Business email address, Business phone number, Company name, and Your organization size. A "Next" button is at the bottom.

To purchase “Project Online” you need to have “Work or Student or University” Account

My account (View 1 - Via portal.office.com)

The screenshot shows a Microsoft Edge browser window with the URL <https://portal.office.com/account/#settings>. The title bar includes tabs for 'My account', 'Enterprise Custom Fields', and 'TN Portfolio analysis driver'. The address bar shows the secure connection and the URL. Below the address bar is a toolbar with various icons. The main content area has a green header with the 'Office 365' logo and 'My account' text. On the left, there's a 'HOME' section with a grid of app icons: Newsfeed, OneDrive, SharePoint, Project (highlighted with a red box and labeled '2'), Power BI, Word, Excel, PowerPoint, OneNote, Security & Compliance, and Admin. The 'Project' icon is highlighted with a red box and labeled '2'. The right side of the screen displays 'Settings' with several configuration options:

- A message: "Looking for Security & Privacy settings? They've moved up a bit. [Show me](#)"
- A theme section: "Choose your favorite theme." with an option for "One World".
- A start page section: "Set your start page" with a note: "The page where you land when you sign in."
- A software section: "Available software" with a note: "Install the software you need."
- A language section: "Language" with a note: "Change your language for Office 365." and a selection for "English (United States)".

The screenshot shows the Microsoft My account page with a green header bar. The left sidebar has a dark green background with white icons and text: 'My account' (selected), 'Personal info', 'Subscriptions' (selected), 'Security & privacy', 'App permissions', 'Install status', and 'Settings'. The main content area is divided into four quadrants:

- Subscriptions**: Verify what products and licenses you have. Includes a 'View subscriptions' button.
- Security & privacy**: Protect your account and adjust important privacy settings to your preference. Includes a 'Manage security & privacy' button.
- App permissions**: Apps with access to your data: 12. Manage which apps have access to your data. You can revoke permission whenever you want. Includes a 'Change app permissions' button.
- Install status**: Detected installs: 0. You can install Office on up to 5 PCs or Macs, 5 tablets, and 5 smartphones. Includes a 'Manage installs' button.

At the bottom center is a 'Settings' section with a gear icon.

A screenshot of a web browser window showing the Microsoft My account security & privacy settings. The browser tabs include 'Project Detail Pages - Pro', 'My account' (the active tab), and 'Enterprise Custom Fields'. The address bar shows a secure connection to https://portal.office.com/account/#security. The main content area is titled 'Security & privacy' and contains sections for 'Password' (Change your password) and 'Contact preferences' (Manage how and why you are contacted, set to 'On'). A sidebar on the left lists other account management options like 'Personal info', 'Subscriptions', and 'Security & privacy' (which is currently selected). The overall theme is green and white.

A screenshot of a web browser window showing the Microsoft My account page. The URL in the address bar is <https://portal.office.com/account/#installs>. The page title is "My account". The main content area is titled "Install status" with the sub-instruction "Manage your PC and Mac installs here." Below this, there is a link "Install desktop applications". A section titled "Project" shows "Detected installs: 0". On the left sidebar, there is a navigation menu with the following items: "My account", "Personal info", "Subscriptions", "Security & privacy", "App permissions", "Install status", and "Settings". The "Install status" item is currently selected, indicated by a blue background.

Security & Compliance

Security & Compliance

The screenshot shows the 'HOME' page of the Office 365 Security & Compliance interface. At the top, there's a green header bar with the 'Office 365 Security & Compliance' logo. Below the header is a large, light-gray central area. On the left side, there's a dark green sidebar containing several icons and their corresponding names: 'Newsfeed', 'OneDrive', 'SharePoint', 'Project', 'Power BI', 'Word', 'Excel', 'PowerPoint', 'OneNote', 'Security & Compliance', and 'Admin'. The 'Security & Compliance' icon is a shield with a lock. The 'Admin' icon is a gear.
